Created 13/02/20 – Revised 24/08/23

## **APPOINTMENTS**

All consultations require booking an appointment. Standard appointments are booked at 15-minute time slots. Longer appointments are available with your doctors for the following: mental health, medical reviews, minor surgery, care plan preparation, complex or multiple medical problems.

Walk-in patients will be asked to make an appointment except for emergency cases.

We would appreciate your early phone call 3-4 hours in advance if you are unable to keep your appointment.

Appointments can also be booked via HotDoc or our Website.

## **INTERPRETER**

Our friendly reception staff are able to arrange an interpreter for your appointment should it be required - please advise when booking your appointment. Our practice is an indigenous health friendly practice.

## **OUT OF HOURS CARE**

After Hours Healthcare is provided by Home Doctor Service on **13 SICK (13 74 25)** for emergency home visits, outside of our opening hours.

You can also attend the emergency department at your nearest hospital.

## **HOME VISITS**

Regular patients of our practice are able to arrange visits in their home, residential aged care facility or hospital, both within and outside normal opening hours where such visits are deemed safe and reasonable.

## **TELEPHONE & ELECTRONIC COMMUNICATION**

Our practice provides patients with timely advice or information related to their clinical care by telephone and electronic means only where a GP determines that this is clinically safe and that a face-to-face consultation is not required for that patient.

All telephone calls for doctors will be relayed through reception staff via message and the doctor will return your call at their earliest convenience. Consultations will not be interrupted unless in the event of an emergency.

## **TEST RESULTS**

Patients are required to make a follow up appointment with their doctor for test results.

The results are not discussed over the telephone with receptionists due to their sensitive nature.

## **PRESCRIPTIONS & REFERRALS**

---

Repeat prescriptions and specialist re-referrals will require an appointment and not normally be issued without doctor-patient contact. Please keep track of your medications and referrals and book an appointment with your GP well in advance of renewal.

## **SICKNESS CERTIFICATES**

---

Sickness certificates will require an appointment and will not be issued unless a doctor has been consulted in relation to that illness, and cannot be backdated.

## **RECALL & REMINDERS**

---

Our doctors are committed to preventative healthcare and as such we may issue you with reminder SMS and recall letters appropriate to your care. If you do not wish to be a part of this system, please advise your doctor.

## **FEES**

---

Independent GPs have adopted a private billing model. Bulk billing is available only for children under 5 years old and for DVA Card Holders only during weekdays between 9am – 5pm. Medical Care Plans (excluding Mental Health) and Health Assessments are also bulk billed. Please remember to bring with you your Medicare Card and Health Care Card. Previous bulk billing does not guarantee future bulk billing.

Please note: Bulk billing is not available weekdays after 5pm nor on Weekends.

Fees vary according to the length and complexity of the consultation and are determined by independent individual GPs.

Payment is required in full on the day of consultation and can be made by Cash, EFTPOS and Credit Card (Amex, VISA & MasterCard). Card surcharges apply. Our practice has facilities to enable immediate refund of your Medicare Rebates.

Our practice informs patients about the potential for out-of-pocket expenses for healthcare provided by the independent GPs consulting at our practice and for referred services.

If you are not registered with Medicare, you will be required to make full payment for the consultation on the day.

Please note that there are some services that are not covered under Medicare e.g. pre-employment medical examinations and reports, and commercial driving license assessments.

Please refer to our full fee schedule for further details.
